Review of Epidemiology Reports	Bridget Fischer- public health epidemiologist reviewed the fourth quarter reports for drug overdoses and senior falls. See reports attached Bridget also presented data dashboards that are available on the health district's website. Data dashboards are interactive charts and graphs that share general statistics on births, deaths and other community concerns. The dashboards were created to give the community an estimate of what is going on within Defiance County. Within the dashboards, you can filter different data points to get the specific data you are looking for.	For more information contact Bridget Fischer: email bfischer@defiance-county.com To view dashboards: http://defiancecohealth.org/defiance-county-epidemiology-and-assessment/
CHIP Review/ Annual Report	The group reviewed and revised the CHIP as deemed necessary by the group (see CHIP Annual Report attached.)
