Defiance County COVID-19 Report

Severity of Illness Among COVID-19 Cases Reported in Defiance County

Asymptomatic includes cases who didn't report any COVID-19 symptoms

Mild illness includes those who were able to recover at home

Moderate illness includes cases who required hospitalization but **didn't** require intensive care or intubation

Severe illness includes cases who were hospitalized in intensive care, were intubated, or died as a result of their illness

214
Number of individuals under Isolation/Quarantine**

754
Total individuals released from Isolation/Quarantine

Quarantine is used to keep someone who might have been exposed to COVID-19 away from others.

Isolation is used to separate sick people from healthy people.

**These numbers reflect individuals identified as close contacts of lab confirmed cases who are currently under monitoring by DCGHD

Definitions

Active Cases: is calculated by $=((\text{total cases}) - (\text{recovered cases}) - (\text{deaths}))$ within the same time period.

Total COVID-19 Cases: includes lab confirmed and probable cases of Defiance County residents

Probable Case CDC Expanded Definition):

- Person who exhibits symptoms consistent with COVID-19
- Patient seen in outpatient or telehealth setting with no alternative likely diagnosis
- Must have an Epidemiological (close contact) link. A person who has been in contact, or is in an institution, with a lab confirmed case **and** meets the criteria above.

Number of Lab confirmed Cases Hospitalized: Defiance County resident who are lab confirmed COVID-19 patient and were hospitalized during the reporting range

Number of Cases Recovered:

- At least 1 days (24 hours) have passed since recovery defined as resolution of fever without the use of fever-reducing medications **and**
- Improvement in respiratory symptoms (e.g., cough, shortness of breath); **and**,
- At least 10 days have passed since symptoms first appeared

The Ohio Department of Health defines Presumed Recovered as cases with a symptom onset date >21 days prior who are not deceased. Therefore, the Ohio Department of Health and Defiance County Health Department cases recovered may differ.
