

February 17, 2022 8:30am- 10:00 am

Attendees: Tonie Long (ADAMhs Board), Abby Wolfrum (United Way, Defiance Co.), Betty Clevinger (Community Memorial Hospital), Jack Poling (Promedica, Defiance), Cara Potter (Defiance Public Library System), Leah Fisher (Defiance Mercy Hospital), Kim Lammers (Maumee Valley Planning Org.), Jamie Gerken (DCGHD), Stacy Lucas (DCGHD), Brian Heil (DCGHD)

Topic	Discussion	Decision, Action/ Assignments
<p>Discuss release of CHA and CHIP to the public</p>	<p>The group reviewed the Press Release, and Social Media content for the CHIP. There was a consensus that the release material is ready to go out.</p>	<p>Cara Potter offered to put the CHA and CHIP document on a document shelf at the library. Will just need to get her a copy of both. This is beneficial because of the long operating hours at DPLS.</p> <p>Brian Heil will send out the Press Release on 2/18/22 along with Talking Points, CHIP Summary, and Social Media Content.</p> <p>POWER members are encouraged to share the release material with their agencies.</p>
<p>Share priority accomplishments</p>	<p>Kim Lammers discussed the county has a coordinated transportation plan. Stakeholders have decided to look at a specialized grant which will transport certain population (ie. Seniors those with disabilities). This grant has a lower funding match and will create a starting point for grant funding.</p>	<p>Kim is available as a resource for Complete Streets, contact her as needed.</p>
	<p>Cara Potter shared that DPLS is now offering access to Candid. The DPLS provides visitors with free public access to Candid’s applications and resources.</p>	
	<p>Karen MVGC- Currently at DMS conducting signs of suicide to 8th grade students. Hicksville high school has received the signs of suicide program. This is the first year Hicksville has participated. Incredible years is not currently occurring. Schools participated in the fall and Hicksville will be participating this</p>	

	<p>spring. There have been no mental health first aid classes since January. Ayersville schools will be holding a teen mental health first aid course this spring.</p>	
	<p>Jack- Promedica- Reviewed food insecurity numbers. Have revamped the food packages to include fruits and veggies. Jack reviewed safe sleep numbers. He additionally developed a brochure of walking trails that is displayed in the hospital, he is also displaying a steady U brochure for falls prevention.</p>	<p>Jack is going to send the Walking-Trail brochure to Brian</p>
	<p>Tonie- ADAMhs Board- discussed the suicide prevention and opioid spot they have. Seeing a good number of people watch through the entire video. 13 have clicked to website.</p>	
	<p>Abby-UW of Defiance County- They still have COVID-19 emergency funds available</p>	<p>Contact United Way for funding info.</p>
	<p>Stacy Lucas shared an update on Health Department programing re: injury prevention.</p>	
	<p>Brian discussed the 4YMH group which focuses on the promotion of primary treatment for mental illness. This group created a survey to assess what ways they can support mental health & wellness in the four county area and gain insight on how others cope with stress. This will help inform future mental health campaigns.</p>	<p>Brian encouraged others to share the survey with their agencies, or the public. The survey will continue to be available throughout the remainder of February.</p>
<p>Follow up discussion on structure/content of meetings</p>	<p>The group discussed possibilities for future meeting structure and content.</p>	<p>Brian will reach out to Carol Baden from RecoveryOhio.</p>
	<p>Brian asked if the group would be open to having a representative from RecoveryOhio at a future meeting. RecoveryOhio is an initiative through the State that engages local governments, coalitions, and task forces and provides support to address mental health & addiction.</p>	
	<p>Jamie brought up the idea of meeting in separate work groups to facilitate the work on action steps within the CHIP. There was a consensus that work groups are necessary and there was discussion on the best way to organize the groups.</p>	<p>DCGHD will send out a survey to gather information on potential work groups and work group meeting options.</p>

Presentation on Webpage/Progress Update form	Brian walked the group through the webpage for POWER Defiance County. The webpage will be a central location for both coalition members and the public to access information on the CHA and CHIP. https://defiancecohealth.org/power-defiance-county/	Let Brian know of any additional content appropriate for the webpage. Utilize the “CHIP Progress Reporting Form” found on the Resource tab of the webpage to send any updates related to CHIP activities.
