1. ProMedica Defiance Regional Hospital
2. Mercy Defiance Hospital
3. ProMedica Toledo Hospital
4. Bryan Hospital
5. ProMedica Flower Hospital
6. University of Toledo Medical Center

Reported drug poisoning data in this report is non-specific. Many classes of drugs or multiple drugs may be involved. It is difficult to know the true number of opioid-related poisonings as some individuals did not have emergency service runs, did not visit the emergency department, or refused to be transported to an emergency department during an overdose. The emergency department data included in this report was gathered from the EpiCenter database for the date range April 1, 2022 through June 30, 2022.
