Defiance County Community Health Improvement Plan Progress Dashboard

Progress reported or documented between Jan 1 through May 19 2022

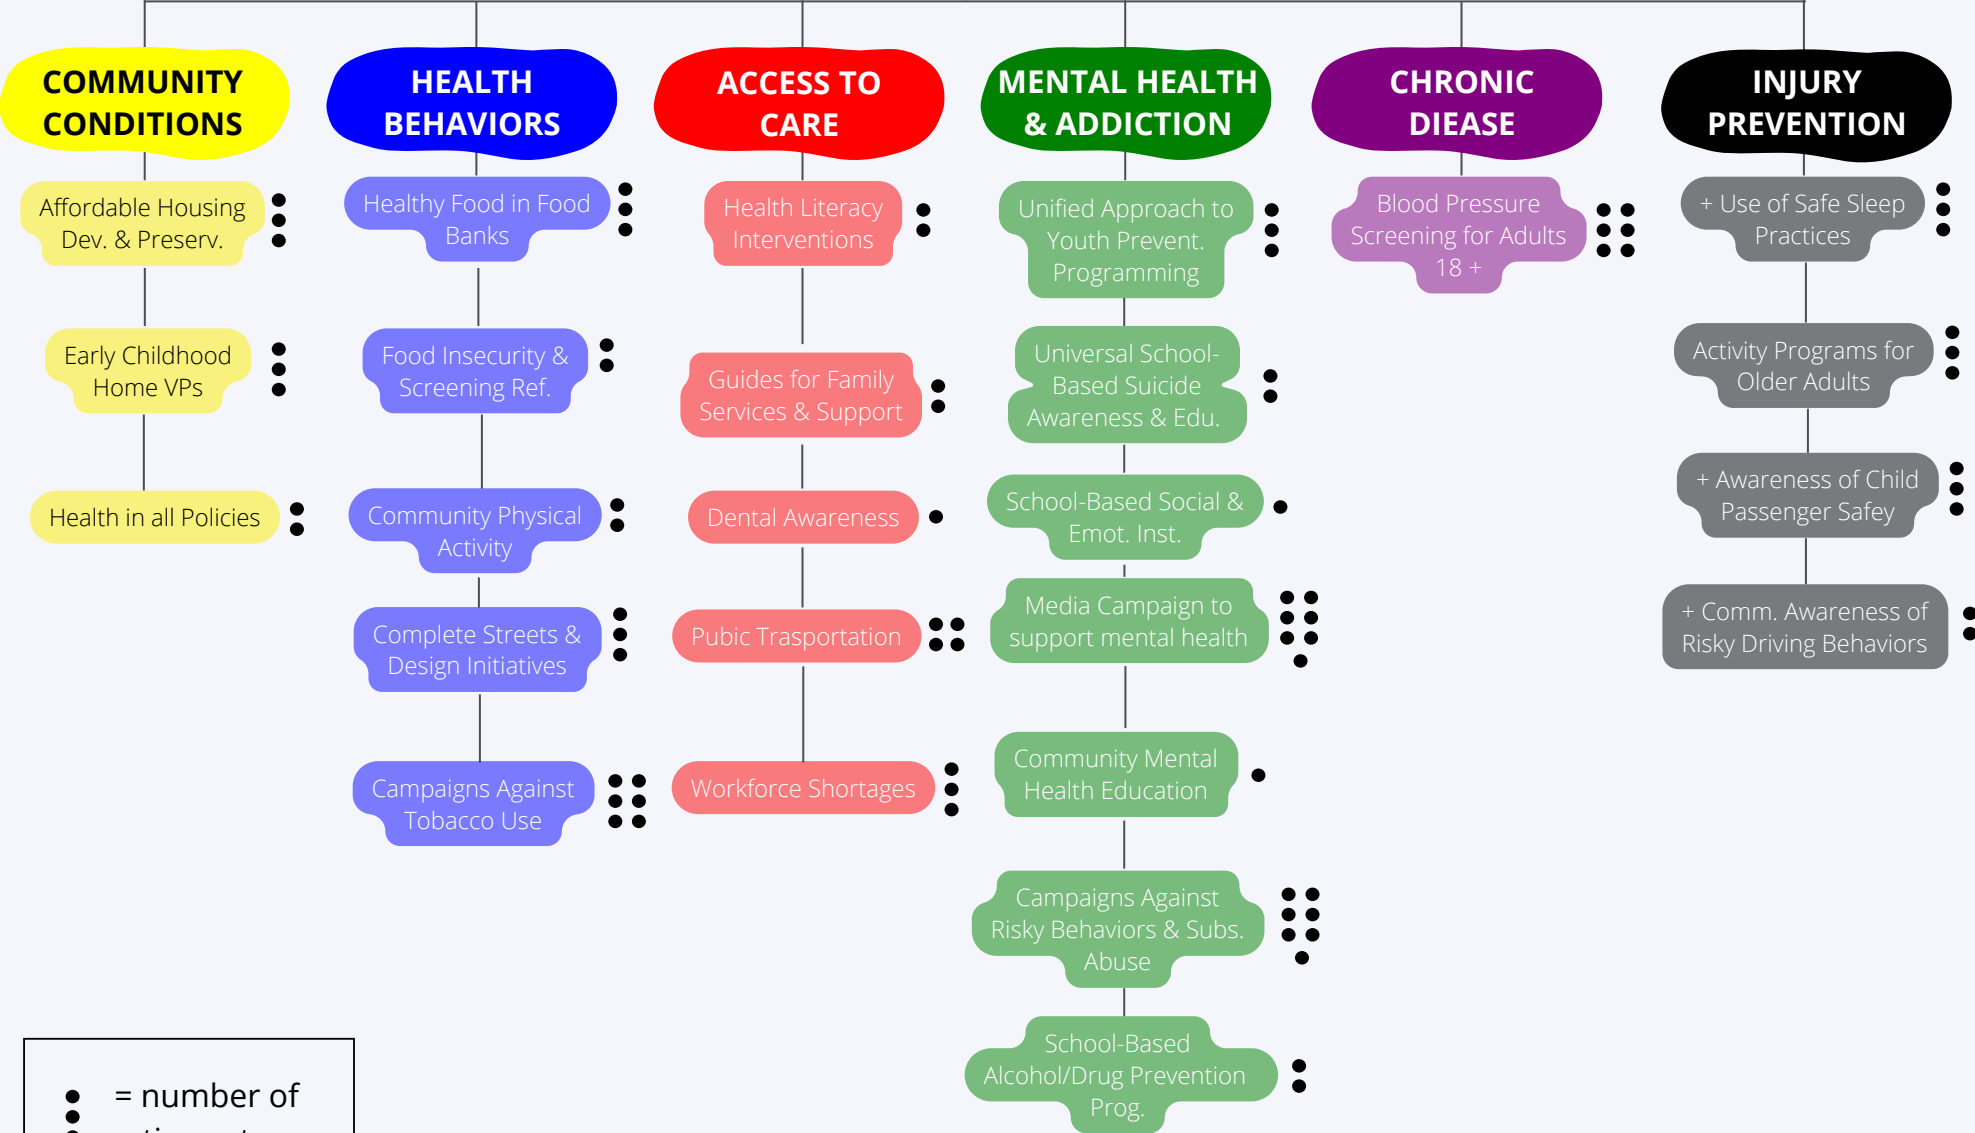

Lets first look at what the CHIP is comprised of

CHIP Priorities as a percentage of entire CHIP

CHIP

● = number of actions steps

Defiance County Community Health Improvement Plan Progress Dashboard

Strategies within each priority were assigned a "weight" of total CHIP to determine % completed

The weights were based on the total number of action steps in each strategy compared to the total action steps in the CHIP (all priorities combined)

Total CHIP progress then calculated by the sum of each priority completion.
