 - 3
- Increase Community Awareness of Risky Driving Behaviors
 - 2

CHIP Priorities

- Strategies
 - Action Steps
 - 52 Action Steps Compared to 76 in Year One

Defiance County Community Health Improvement Plan Progress Dashboard

Strategies within each priority were assigned a "weight" of total CHIP to determine % completed

The weights were based on the total number of action steps in each strategy compared to the total action steps in the CHIP (all priorities combined)

Total CHIP progress then calculated by the sum of each priority completion.

Q1-Q3 CHIP PROGRESS Dashboard

80%
of priorities
complete or
in progress.

Percentage of all action steps complete in 2023.

Q1-Q3 CHIP PROGRESS BY PRIORITY

Community conditions
percentage of action steps completed in 2023.

Health behaviors
percentage of action steps completed in 2023.

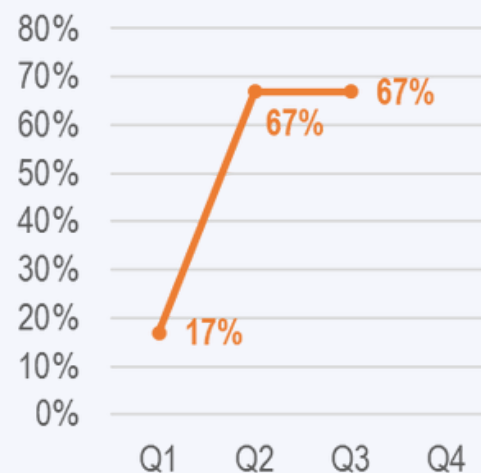

Access to care
percentage of action steps completed in 2023.

Mental health and addition
percentage of action steps completed in 2023.

Chronic disease action
steps completed in 2023.

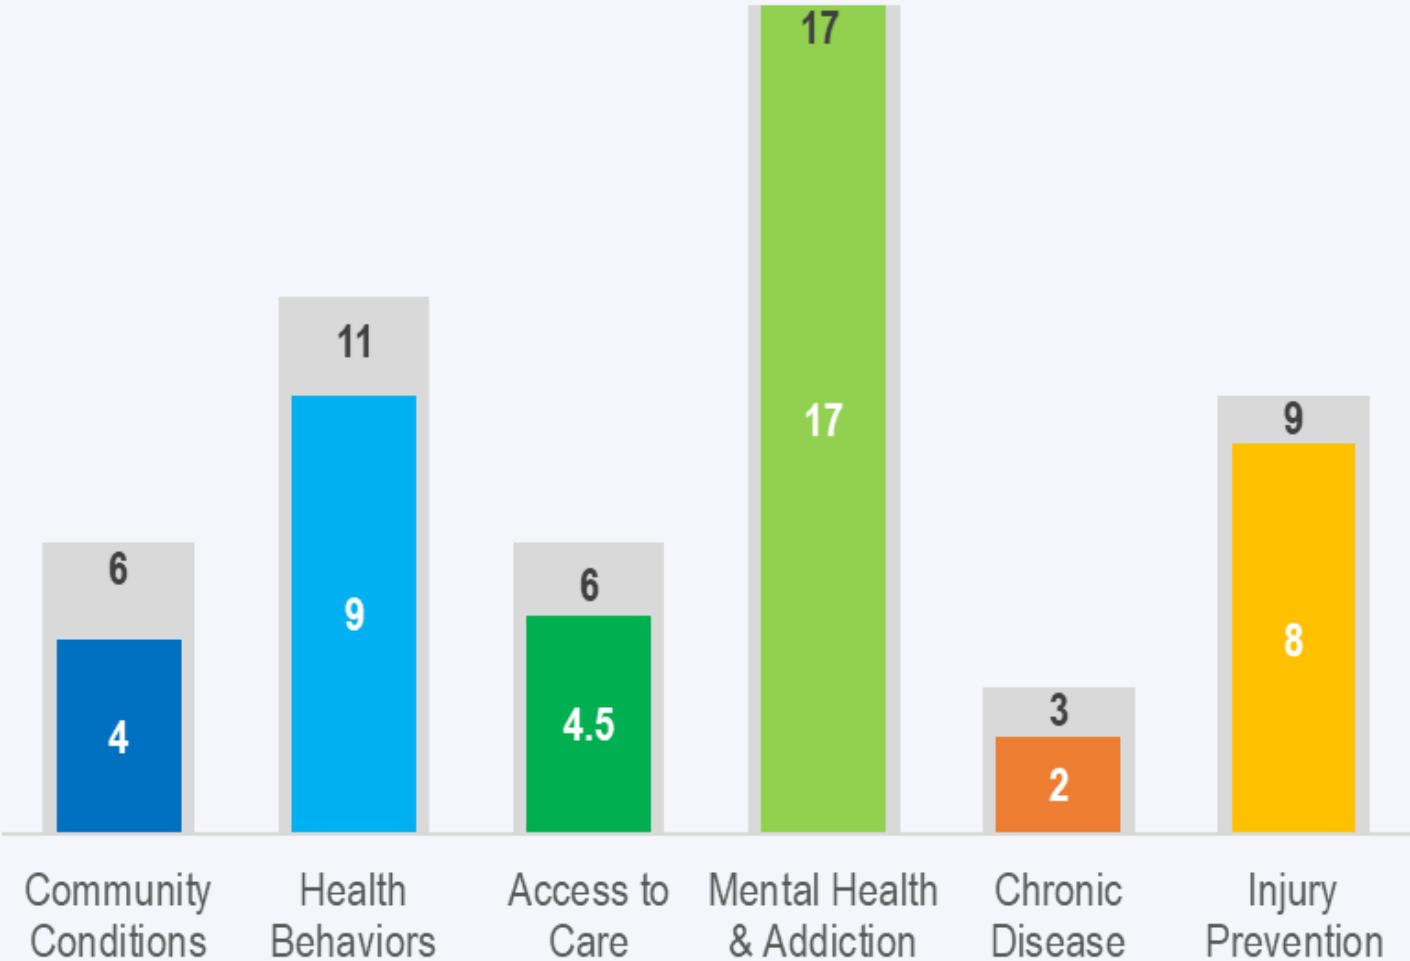

Injury prevention action
steps completed in 2023.

Number of action steps completed in each priority at the end of Q3.

Number of action steps complete compared to total number of action steps.

ACCESS TO CARE- YEAR 2

- **Dental awareness**
 - Investigate potential funding sources to carry out dental clinic
- **Public transportation systems**
 - Research alternative transportation opportunities as they become available.

CHRONIC DISEASE- YEAR 2

- **Blood pressure screening for adults aged 18 and older, including obtaining measurements from outside of the clinical setting**
 - Increase number of health care providers that currently screen for hypertension and follow up by 5% from baseline

INJURY PREVENTION- YEAR 2

- **Increase awareness of child passenger safety best practices**
 - Determine feasibility of training a child passenger safety technician as an instructor through the health district.

COMMUNITY CONDITIONS UPDATES

MVPO: CHIP – Community Housing Impact & Preservation (CHIP) Program. Assists income-eligible households with necessary repairs to their homes. Systems such as plumbing, heating, electrical, roofs, accessibility, lead abatement and more are addressed. MVPO has funds NOW for Paulding and Defiance County and will be applying next year for 2024 CHIP funds. CHIP-Lead Abatement Program Assist income-eligible households with lead abatement activities. This program typically is utilized along with the CHIP Program but can be used to address just Lead Abatement in homes built before 1978. MVPO has \$90K available for Paulding and Defiance County. Lead Safe Ohio NEW PROGRAM! Made available through House Bill 45, providing funds from American Rescue Plan Act funds for lead poisoning prevention and mitigation. Defiance County will receive \$305K to address peeling paint and to replace wood windows and other painted surfaces. CONTRACTORS NEEDED! There are also funds for contractors and free training (1-day) to receive EPA lead safe certificate (to work in residential properties in lead-safe manor). Funds must be committed by June 30, 2024. Work to be performed by February 28, 2026. For more information, contact Dottie Vollmar or Liz Keel of Maumee Valley Planning Organization – 419-784-3882 or visit our website: <https://www.mvpo.org/housing-programs>

HEALTH BEHAVIORS UPDATES

MVPO: The Defiance Active Transportation update is due in 2026. I want to have similar information in the Long Range Transportation Plan.

ProMedica: Screened 898 patients YTD for food insecurity. Provided 4 food packages. Mass media provided via Facebook posts as well as 22 flyers on tobacco/vaping cessation.

SNAP-Ed: SNAP-Ed nutrition classes are being offered twice a month at both Defiance (5 classes) and Hicksville (1 class) Head Start Centers, as well as Defiance Elementary KinderStart (3 classes). Two 3-session nutrition and resource management education series have been offered at the PATH Center with 15-20 participants each week. A 3-session series was presented to 8th Grade Health Students at Defiance Middle School (2 classes/ 53 students total) in October. Nutrition and resource management classes are being offered approximately twice a month at Hicksville Elementary's After School program, with 34 students involved, and parent programming will also be offered at a later date. 2-4 SNAP-friendly recipes are continuing to be given in coordination with the PATH Center's Commodity Distribution with recipes determined based on items received. Coming up: Winter series at Island Parkway Manor, Maumee Valley Guidance Center and the PATH Center.

ACCESS TO CARE UPDATES

ADAMhs Board: Both the Mental Health Resource Guide and the Substance Use Treatment guide were updated and printed in June of 2022. Copies of the printed guides are available through the ADAMhs Board. They are distributed through LOSS Team informational packets, Mental Health First Aid Trainings and other events. The guides are also available electronically.

Defiance Public Library: This year, we began hosting monthly informational programs on Alzheimer's/dementia and Medicare. We have also hosted several one or two session programs, such as, Tara Rex from the Center for Child and Family Advocacy for a talk on healthy relationships, and Jackie Mann, an end of life doula, to help people understand end of life planning. We have a community information area where local agencies can display their literature. We are working on a monthly health series for next year.

MENTAL HEALTH AND ADDICTION UPDATES

Defiance County Economic Development: Hosted a mental health training this year. Will be hosting a youth and adult training next year.

MVGC: Continue to implement SOS Signs of Suicide in area Middle and High Schools. Offer teen Mental Health First Aid available to schools that qualify. Continue to facilitate Incredible Years (Dino Schools) in area Kindergarten and Elementary schools (Pre K-2nd), offer Botvin Lifeskills to all schools for grades 4-10. Continue to post on Facebook and Instagram, notify media of events, do radio spots. Continue to facilitate Mental Health First Aid, Youth Mental Health First Aid in the community, continue to partner with local libraries to offer CATCH My Breath, Dino School and other after school opportunities. Continue to offer mental health based presentations in the community and attend awareness events.

RSNWO: TGFD in Defiance Elementary K-5, Tinora 5-8, Hicksville High School 9th grade, and working to expand into other districts as well as existing. Overcoming Obstacles Hicksville High School 11,12 grade leadership classes, After School Programming at Defiance Elementary. Adolescent classes 2 hours a week for 4 weeks- Substance use prevention and resiliency- Why Try and Indepth Curriculums. Provided Teacher Inservice for Tinora School District- Youth Substance use trends. Offering such programs to other districts in the county as this has been successful in other surrounding counties. Providing Drug Free Workplace Trainings - certified through the BWC as training option for businesses in four county area. Attending local community events to promote awareness and education and provide resources to the community. .

CHRONIC DISEASE UPDATES

ProMedica: Conducted 129 screenings at the Lilac festival and the Senior Center at their recent Health Fair.

INJURY PREVENTION UPDATES

ProMedica: Educated 31 parents groups at no cost Maternal Health classes as well as distributed 33 flyers on safe sleep practices.
